

# LANCASTER

## 100 SERIES BEDS & HEADBOARDS

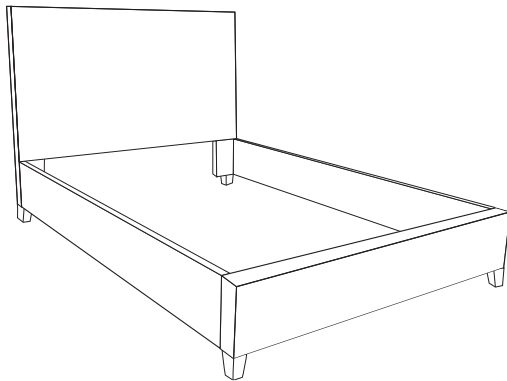

Select any LANCASTER Bed or Headboard style and enjoy a beautifully crafted piece of furniture. All beds and headboards are constructed from kiln-dried maple, engineered strandboard and soy-based foam/cotton paddings. Headboards project 5" in thickness and can be embellished with nail trim, welt, tufting and more. Any of our bed frames may be customized to accommodate motion bed inserts. Contact us for more information about custom options.

### LANCASTER 100 SERIES STANDARD HEADBOARDS

*Metal support frame and hardware sold separately*

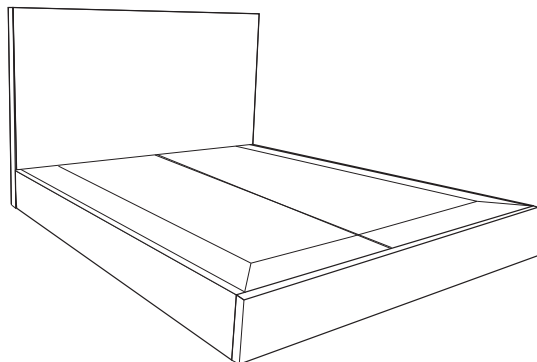

Headboards include upholstered solid wood legs to which a metal support frame may be attached. When ordering, specify a LANCASTER steel bedframe to go with your headboard and receive hardware and pre-drilled legs for easy installation. As a standard, welt is applied to the front and back of the headboard.

### LANCASTER 100 SERIES STANDARD BEDS

*Use with mattress and boxspring/foundation*

LANCASTER standard 100 Series upholstered beds begin with the selection of a 100 Series standard headboard. Frames are designed for a boxspring to rest inside the rails and footboard. Beds include a steel slat multi-leg support system for maximum strength and sturdiness. 2"W side rails and 3"W footboard are 15"H including a 4"H leg. As a standard, welt is applied to the front and back edges of the headboard and footboard.

### LANCASTER 100 SERIES PLATFORM BEDS

*Use with mattress only*

LANCASTER platform style beds offer a more contemporary look with 2"H recessed legs in Matte Black finish. Frames are designed for mattress only to rest on the top edge of rails and footboard. Our padded and upholstered dual platform sits on a steel slat multi-leg support system for maximum strength and sturdiness. 2"W side rails and footboard are 12"H from the floor including legs. The platform is 11.5"H from the floor. As a standard, welt is applied to the front and back edges of the headboard only.
